the Adventures of the LEGO Maniac

HANG ON TO YOUR HELMETS, TIM AND DR. CYBER

LET'S CRUISE IN THE HYPNO-CRUISER, TO THE DARK FOREST TO MEET ROB N. HOOD AND SIR LAUGHS-A-LOT.

KNIGHT'S HEADGEAR ON...

...AND WE'RE CRUISING INTO KNIGHT TIME.

ONE GOOD SPIN OF THE HYPNO DISK WILL GET THIS TIME CRUISE STARTED.

CONTINUED ON NEXT PAGE...

#1853 Hypno Cruiser

The hot-roddin' Hypno Cruiser comes with chrome harpoons, exhaust flames, and handy headgear for traveling anywhere in time. Just roll it along the floor and watch the hypno disk and propeller spin you into time!

Time telescope!

#6494 Mystic Mountain Time Lab

Open up Dr. Cyber's time lab and see all the strange time machines. Talk about a hot seat. The spinning, flaming chair fires you into time. Cool your jets in the shed and you could be on an excellent time adventure (just like Bill and Ted).

The telescope doesn't scope out stars but looks into the past or future. Time traveling boat, is perfect for short time jumps. Cool catapult blasts barrel into space. Spin the Hypno Disk and win a trip in time. Bonehead, the spooky skeleton keeps time bandits locked up. "Cranky" robot helps run the lab.
